Ceiling Fan Box/Bar Hanger – UL Listed

BH1001

BH1002

with Tabs on
Mounting Plates

Amifast “new work” bar hanger is a UL-Listed adjustable bar hanger for light fixture and fan support. The bar hanger has pre-installed adhesive tape on each end for easy installation to ceiling joists. BH1002 is identical to BH1001 except for the additional of tabs on the mounting plates for easy alignment to the joists. All necessary hardware is included with each unit. Sold in boxes of 24 pcs.
